What services do we provide?

We will help you choose a loan that is not unsuitable for your purposes from our panel of lenders. We will provide you with information on a broad range of products and loans. Once you have chosen a loan, we will help you obtain an approval assuming you meet the lenders criteria.

Preliminary Assessment

What we will need from you

When we provide you with credit assistance, we must only recommend credit products that are not unsuitable for you.

To be able to determine which loan products are not unsuitable, we are required to complete a Preliminary Assessment. When we make this preliminary assessment, we determine:

- your requirements and objectives – that is, what kind of loan do you want, and for what purpose;
- your financial and relevant personal situation; and
- your ability to repay the loan that you are considering.

In assessing these factors, we are also required to take reasonable steps to verify some of the information you provide us.

This verification may include:

- asking you for copies of documents that demonstrate your financial situation – in some cases we may also need to sight original documents; and
- contacting third parties to assist in verifying the information that you provide.

Obtaining a copy of your Preliminary Assessment

If we haven't already provided it to you, you may request a copy of our Preliminary Assessment, and if we have provided Credit Assistance we must give you a copy of it:

- at any time during the first 2 of years of completion of the assessment, within 7 business days; or
- between 2 years and 7 years after it was conducted we must provide it within 21 business days.

There is no charge for requesting or receiving a copy of the Preliminary Assessment.

How do our Representatives get paid

We are paid commissions by lenders for introducing customers. The lenders we deal with will usually pay us a commission based on:

- the size of loan; and
- the particular loan product you have selected

We will only be paid this commission if your loan is settled and drawn down.

We may also be paid an ongoing commission by your lender based on the outstanding balance of your loan.

The commissions that we are paid by your lender are not payable by you – they are paid to us either directly by the lender, or paid to us by our Aggregator.

If you would like a detailed estimate of how much commission we would be paid by a particular lender for a particular product, we will provide this for you. We will also provide you with a detailed explanation of how this commission is calculated.

Certain lenders may also pay us a bonus based on the amount of business that we introduce to them. The lenders that currently have such arrangements with our Aggregator are:

Commonwealth Bank

As Finconnect may retain a portion of the commission paid by the lender you choose. This payment is paid to the Finconnect in exchange for the right to operate under their licence, and for providing other assistance with business.

If you would like an estimate of what Daniel Molesworth will be paid, and how it is calculated, please don't hesitate to ask and we will provide you with that information.

Will fees be payable by you in relation to our credit assistance?

☐ No. You do not pay any fee and you will not receive a Credit Quotation.

☒ Yes. Before a finance application is lodged we will give you a Credit Quotation document which will include more details about the fees you will pay.

Other people we deal with

Our Aggregator

In many cases, we gain access the loan products we recommend to you through the services of our Aggregator. In order to gain access to their panel lenders, our aggregator charges us a fee. This fee may be made up of several different components, including:

- a share of the commission that is paid by a lender as set out above
- a membership fee for our business
- a monthly fee for each of our accredited loan writers

If you would like us to provide an estimate of the share of the lender commission that may be retained by our aggregator, and how it is worked out, we will be pleased to provide this to you.

Referrers and Referral fees

In some cases, your business may have been referred to us by non-regulated third parties such as real estate agents, accountants, financial planners etc. Where this is the case, we *may* pay a referral fee to these parties. If we do pay a fee to these parties, then

- they should already have told you about this; and
- we will disclose the actual fee in our final documentation

Alternatively, if you want to know, you can ask us about the fees and we will tell you how much was paid and how it was worked out.

Safeguards Adopted

We have adopted safeguards to manage conflicts of interest that may arise wholly or partially in relation to the activities that we undertake. These include:

- providing full disclosure of the conflict of interest, potential conflict of interest, or perceived conflict of interest to you,
- referring you to another Credit Representative within Finconnect to provide advice to you and
- declining or withdrawing the services provided to you.

We believe these safeguards are a sound and effective means for controlling and avoiding conflicts of interest. Where we have identified a conflict of interest, we will act in the manner outlined above, including providing advice that is in the client's best interests.

Whilst we always strive to provide the best possible service, we understand that there may be times where you are not satisfied. If this occurs, and you wish us to do something about it, we have a formal process in place to address your concerns.
